Biotechnology ,MA(JMC).The college is imparting quality education to over 4000 students and they are making a great leap in every sphere of career. The Vision of our Institute is "To render service to the society through excellence in education by imparting knowledge, developing skills and imbibing among the student's Moral, Spiritual and Social values of life". The Mission of our college is to bridge the gap between academic and the practical industrial and business world by organizing seminars, Guest lectures, demonstrations, industrial visits to stimulate the academic environment for promotions of quality teaching, learning & research.

● ABOUT THE DEPARTMENT OF COMMERCE ●

The department of commerce was established in 2001. The department of commerce has well qualified faculty with different subject specialization. Our department conducts UG and PG level coursesvizB.Com,B.B.A.,B.B.A.(CA) and M.Com. The consistent efforts are made to continuously improve the education standard. The BBA Department is active since 2006.We are offering students fundamental knowledge and exposure to concepts , theories and practices in the field of management. We strive to provide excellency in education by providing qualified and experienced faculties. Alumni of the department are currently placed in various areas.

● WORKSHOP OVERVIEW ●

IMPLEMENTATION OF NATIONAL EDUCATION POLICY 2020

The world is undergoing rapid changes in the knowledge landscape. Refabricating the essence of good education as knowledge of all branches of creative human endeavour and heading towards 'knowledge of many arts' has become the need of the hour. It's our ability to provide high-quality educational opportunities to young people will determine the future of our country.

National Education Policy 2020 (NEP-2020) was launched by the Govt. of India on July 29th 2020 outlining the renewed vision of India's New education system and strengthening its five pillars of Affordability, accessibility, Quality, Equity and Accountability. By 2030, India will have the largest population of youth. NEP 2020 helps in utilising this demographic dividend. And It can also make India a Knowledge hub of the world by attracting foreign students.

NEP 2020 envisions the creation of quality Universities and Colleges for Higher Education System in India through institutional restructuring targeting a more holistic and multidisciplinary education.

Rajmata Jijau Shikshan Prasarak Mandal's, Arts, Commerce And Science College aims through this Workshop to learn and explore your knowledge with respect to NEP 2020. Our speakers for this workshop are experienced, knowledgeable, inspiring and would definitely share valuable insight about the subject. In the light of this, we also invite concept notes or ideas based on the subtheme for implementation of inter and multi disciplinary curriculum in Universities and Colleges. The idea should address possible challenges in the implementation process given the current structure and recommend solutions or ways to overcome the same in order to successfully practice the requirements of the National Education Policy 2020.

● SUB THEME ●

- NEP and changing role of teachers
- NEP and Digital Education
- NEP and Institutional Restructuring
- Effect of NEP on Youth empowerment
- NEP for Higher Institutes
- NEP and Self Reliant India
- Sustenance of multi disciplinary education
- Challenges in implementation multi disciplinary education
- Implementation of curriculum framework education
- Relevance of your subject in multi disciplinary
