## **Alumni**

The Alumni are the key brand ambassadors of the institution. The institution aims for striving to create and maintain a strong and positive relationship thereby fostering a lifelong bond between the institute and its alumni.

The alumni participate and contribute to the development of students in a variety of ways, including giving guest lectures to share their perspectives and industrial and field experience, motivating students to participate in skill development programmes, and guiding students in the organisation of various competitions and fests. Due to the COVID-19 pandemic situation, we were unable to hold any face-to-face meetings or any function with our alumni, but we organized online meetings and online guest lecture led by our alumni. In meetings, many alumni opined that the key reason for their success is the platform the institute provided them and the amount of support provided by the management during their study period. Furthermore, Alumni after sharing their experiences assured all kinds of help and cooperation for the betterment of the students and institute as whole. In addition, as a kind gesture, our pride alumni have donated a Micropipette to the Biotechnology department.

## **Best Practices**

To aware the women staff and girl students, the problems regarding their health the guest lecture on “**Guidance on Women Health**” was organized on online mode on 2<sup>nd</sup> February 2021 under the Jijau Women Empowerment Committee (Best Practice). It was delivered by Dr. Sunita Pote, MBBS (Gynec), Shirur, Pune.

Dr. Pote explained by presenting PPT to the students in detail about how to care about their health, how to maintain proper diet, proper exercises, eating proper and nutritious food and maintaining hygiene during menstrual cycle.

This activity was undertaken by the “**Jijau Women Empowerment**” committee because we all are facing difficult times in this Covid-19 situation. Wearing a mask is now compulsory for each and every person to keep us safe and protected from spreading Corona disease. To aware students from this situation, a practical demonstration lecture on “**How to make a mask in an easy way in covid-19 pandemic**” was arranged on online mode on 17<sup>th</sup> March 2021. The speaker demonstrated different types of making the masks.
