Report on Two days' workshop 2021-22

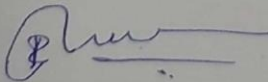

DEPARTMENT OF BBA (CA)

Department of BBA (CA) has arranged the two days' workshop on "soft skill and Interview techniques" by Mr. Somiron Mitra (Trainer) GTT PVT.LTD on 29/12/2021 & 30/12/2021. All around 54 students were present. He tells about soft skills's important, Soft skills are non-technical skills that impact the way you absorb information, do your day-to-day work, interact with others, solve problems, etc. This broad category includes interpersonal skills, communication and listening skills, emotional intelligence, time management, empathy, etc. Benefits of soft skill are:

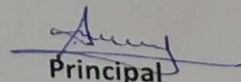

- Increased productivity
- Stronger teamwork
- More effective leaders
- Improved retention of top talent
- Reduced turnover
- Improved employee morale
- Stronger, more effective interdepartmental communication
- Improved consistency in output, productivity

Through soft skills training programs, students will be able to better handle interpersonal relationships with a strong sense of empathy. They will also be in a favorable position to monitor the emotions of others so as to come up with well-informed perceptions about others' behavior and thinking patterns.

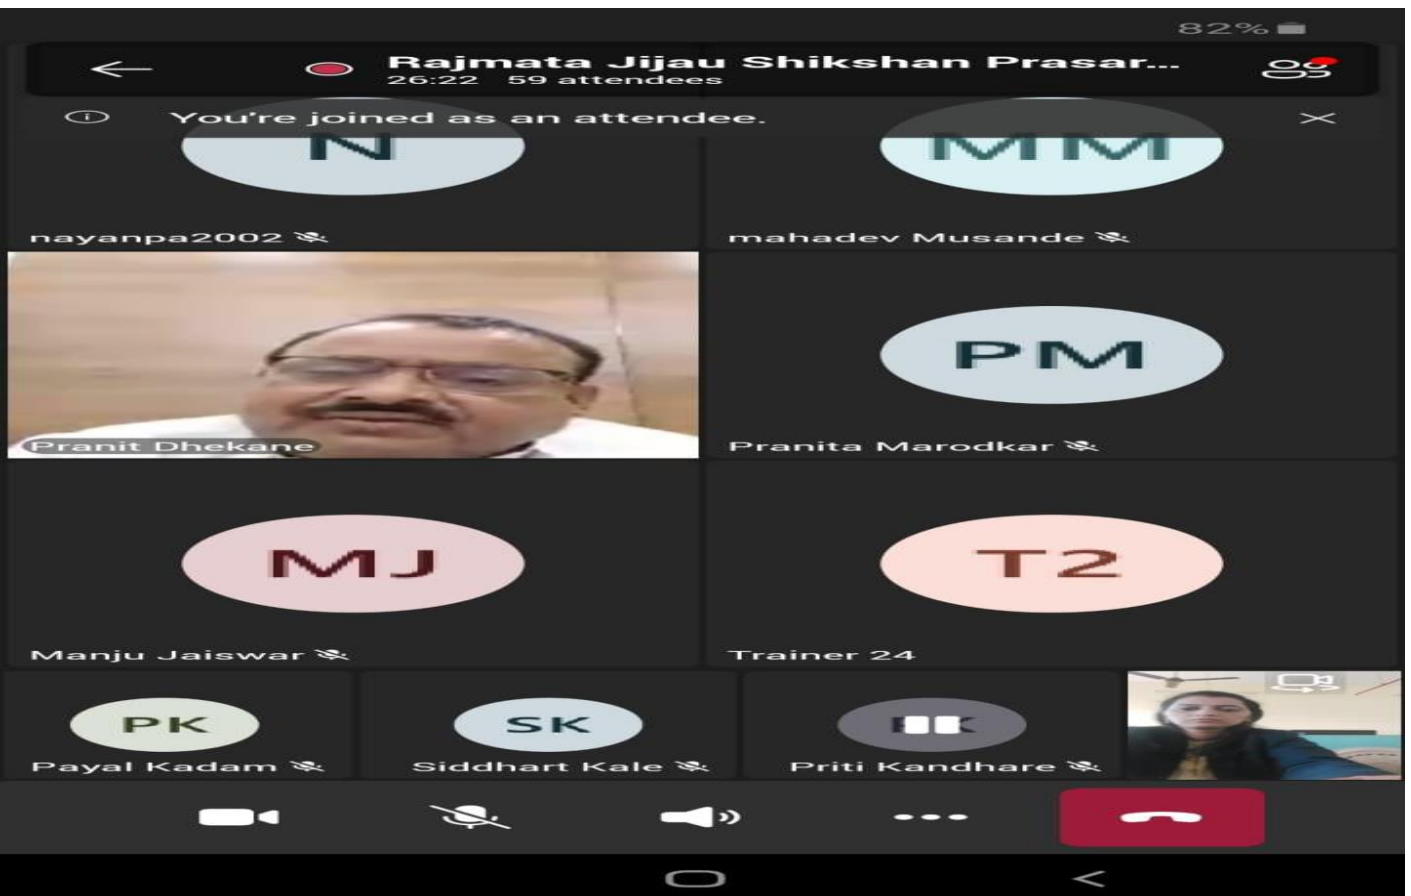

This Lecture was really helpful for BBA (CA) students for their career point of view.

DEPARTMENT OF BBA (CA)

Report on One day Webinar 2021-22

Date: 8th Feb 2022

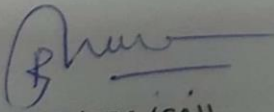

Department of BBA (CA) has arranged the one-day webinar on "Cyber Security in Education" by Prof. Rupali Memane (M. E. Society's Nowrosjee Wadia College, Pune) on 7th Feb 2022. All around 64 students were present. She gave information about how the education sector needs to secure its applications and system and overcome any challenges that come in the way of cyber security.

Cyber security must be an integral part of every education organization's mandate. Students, teachers, and administrators all need access to the learning tools necessary to understand, detect, and avoid cyber threats they may encounter in their daily activities.

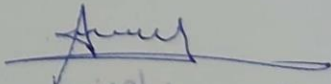

Benefits of cyber security are:

- It Can Protect Your Personal Information
- Allows Employees to Work Safely
- Stop Your Website from Going Down
- Denies Spyware
- Prevents Adware

This Lecture was really helpful for BBA (CA) students for their career point of view.

Department of Biotechnology

Webinar on 'IPR and Indian Patenting Landscape'

Name of Resource Person:

1. **Mr. Ashutosh Prachand**, Director, Knotty IP Global and Analytics Consultancy
2. **Mr. Nalinikant Pandey**, Managing Partner, Mitakshara IP Services

The privileges granted to individuals over their mental works are known as intellectual property rights. For a specific amount of time, they often grant the creator the sole right to utilise their work. IPR Awareness is essential for creating a climate that supports IP and ensuring that we respect one another's IP. Department of Biotechnology has organised Webinar on "IPR and Indian Patenting Landscape" on 19th April 2022 at 11am -2 pm. To encourage budding scientist, researchers and to provide deep knowledge about IPR, this webinar was organised. Two eminent speakers, Mr. Ashutosh Prachand, Director, Knotty IP Global and Analytics Consultancy and Mr. Nalinikant Pandey, Managing Partner, Mitakshara IP Services have provided tremendous knowledge about IPR and Indian Patenting aspects. Over 100 participants participated in webinar.

Head
Department of Biotechnology
RJSPM'S College of ACS
Bhosari, Pune-39.

Introduction to Intellectual Property Rights

- **Intellectual Property (IP)** rights are the legally recognized exclusive rights to creations of the mind like inventions; literary and artistic works; designs; and symbols, names and images used in commerce for a limited period of time.
- Enable people to earn recognition or financial benefit from what they invent or create
- Protects the intangible assets with the help of Intellectual property law which aims to develop an environment in which creativity & Innovation can flourish
