Curriculum Delivery Mechanism

RJSPM's Arts, Commerce and Science College follows curriculum delivery mechanisms refer to the methods and strategies the educators use to impart learning content to students. The goal is to convey effectively the curriculum's objectives and content in a manner that engages students and facilitates their understanding and retention of the material.

The college is permanently affiliated to Savitribai Phule Pune University. It is mandatory responsibility of the college for effective delivery and coverage of curriculum within stipulated time. For academic delivery of the curriculum, the institution has an adequate, highly qualified, experienced, competent faculty.

As per IQAC guidelines Academic Planning & Monitoring Committee (APMC) designs its academic calendar, time table by keeping in mind **New Educational Policy (NEP 2020)** for the effective delivery of university curriculum, co-curricular and extra-curricular activities and policy for assessment of learning and also for assessment for learning as follows.

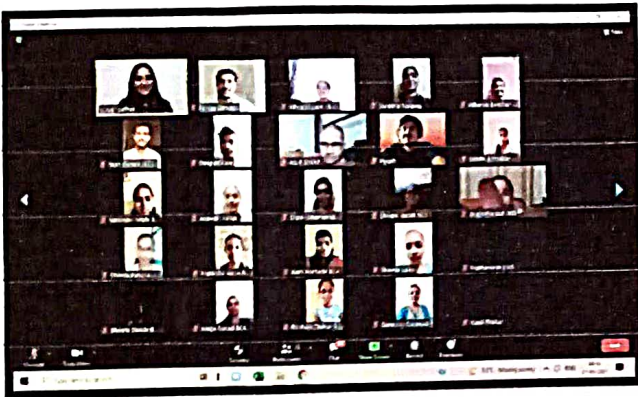

- The HOD of respective departments allocate the subjects to the faculty by taking into consideration the expertise and experience of teachers.
- Every faculty prepares the academic planner and follows innovative teaching learning methods.
- Institution also organizes conferences, workshops and industrial visits for real life learning. We adopted the methods where keeping students are at the Focal Point.
- At beginning of Academic year Mentors and Class teachers are appointed. Mentor-mentee relationship provides an opportunity for the student to seek guidance from the Mentor in terms of academic performance and counselling.
- To supplement the theoretical learning, institute invites experienced industry professionals and help students through their interaction to gain the applied benefits of learning.
- Throughout the academic year guest lectures on various topics are conducted by each department for skill development.
- To provide online learning platforms, interactive multimedia resources, and hands-on experiential activities to students.
- WhatsApp groups and Google classrooms are created to pass required information.
- Teachers are encouraged to attend and participate in various FDPs, conferences and workshops organized in different Institutes for keeping them on track with curriculum.
- Higher authorities also take feedback from students about quality and quantity of curriculum taught, analyse it and necessary action will be taken by IQAC.
