**ABOUT THE WORKSHOP**

Rajmata Jijau Shikshan Prasarak Mandal's Arts, Commerce and Science College is organizing a one day workshop on patents exclusively for students, research scholars and faculty. This workshop aims to provide novice researchers with a thorough understanding of patents. Through stimulating and participatory sessions, participants will delve into the principles of patents, learning what can be patented and how their creative ideas can be safeguarded. The workshop is an important opportunity for students to understand about intellectual property. In addition to ensuring that their valuable research is protected for upcoming developments and commercial exploitation, it fosters an innovative culture. Renowned intellectual property experts will impart useful guidance, elucidating the details of patent application procedures and providing beneficial suggestions on utilising patent data to organise investigations, construct robust patent portfolios, and write research articles. These IP experts are well-versed in complexities of patent management process and their esteemed knowledge will add significant value to the workshop.
